Let It Go

Idina Menzel

The snow glows white on the mountain tonight, not a footprint to be seen.
A kingdom of isolation and it looks like I'm the Queen
The wind is howling like this swirling storm inside
Couldn't keep it in; heaven knows I've tried

Don't let them in, don't let them see, be the good girl you always have to be
Conceal, don't feel, don't let them know; well now they know

Let it go, let it go, can't hold it back anymore
Let it go, let it go, turn away and slam the door
I don't care what they're going to say
Let the storm rage on, the cold never bothered me anyway

It's funny how some distance makes everything seem small
And the fears that once controlled me can't get to me at all

It's time to see what I can do to test the limits and break through
No right, no wrong, no rules for me, I'm free!

Let it go, let it go, I am one with the wind and sky
Let it go, let it go, you'll never see me cry
Here I stand and here I'll stay, let the storm rage on

My power flurries through the air into the ground
My soul is spiraling in frozen fractals all around
And one thought crystallizes like an icy blast
I'm never going back; the past is in the past

Let it go, let it go, and I'll rise like the break of dawn
Let it go, let it go, that perfect girl is gone
Here I stand in the light of day
Let the storm rage on, the cold never bothered me anyway!

“You cannot reach the full measure of the stature of Christ in a day, and you would sink in despair could you behold all the difficulties that must be met and overcome.

You have Satan to contend with, and he will seek by every possible device to attract your mind from Christ. But we must meet all obstacles placed in our way, and overcome them one at a time. If we overcome the first difficulty, we shall be stronger to meet the next, and at every effort will become better able to make advancement.”
