# HOLLYWOOD

There is no influence in our land more powerful to poison the imagination, to destroy religious impressions, and to blunt the relish for the tranquil pleasures and sober realities of life than theatrical amusements. The love for these scenes increases with every indulgence, as the desire for intoxicating drink strengthens with its use.”

“Satan does not wish the people to have a knowledge of God; and if he can set in operation games and theatrical performances that will so confuse the senses of the young that human beings will perish in darkness while light shines all about them, he is well pleased.”

- AH 402

“The readers of fiction are indulging an evil that destroys spirituality, eclipsing the beauty of the sacred page. It creates an unhealthy excitement, fevers the imagination, unfits the mind for usefulness, weans the soul from prayer, and disqualifies it for any spiritual exercise.”

- MYP 272

“Satan is constantly on the alert to bring the race fully under his control. His strongest hold on man is through the appetite.”

## DEFEATED BY ASSYRIA

It was around 720 BCE that the Assyrians swept down from the north and defeated the kingdom of Israel, destroying it utterly.

They also fought their way further south to Judah. One of the cities of Judah they captured was Lachish. The victory was an important one and the story of the battle was recorded on carved panels for the Assyrian palace – a carving on which this picture is based.
